the 'Narnia Experience' On **Thursday 16th February**. This is a fantastic opportunity and one that the children are sure to enjoy.

The experience itself is a walk-through theatrical experience, where the children step through a wardrobe of fur coats... stumbling upon a wintry forest full of pine trees. The children will take on the role of either Lucy or Edmund and follow the story from their perspective, meeting many different characters from the book.

Further information will be sent to parents shortly.

On **Tuesday 24th January**, a visitor came to teach us about Victorians. We did an interactive time line where we could act out times in history. We could touch and inspect old artefacts from Victorian times such as 100 year old cameras, typing machines, sewing

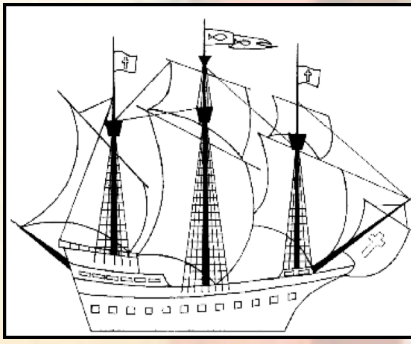

machines, phonographs and we also learnt how Victorians entertained themselves. We dressed up as Victorians and took pictures of ourselves in a Victorian style. We learnt about the first train and did a race with a small model. All of us in Y6 really enjoyed our day!

Kiera Foley

For always demonstrating self-control, gentleness and kindness. Thank you, Kiera.

Well done to our Year 6 pupils who presented a wonderful class assembly in school this week. They told the story of Ernest Shackleton, the famous polar explorer who led three expeditions to the Antarctic. The quality of the children's written work: poems, telegrams, letters and prayers were of the highest quality and we are very proud of them! It was lovely to see so many of our Year 6 parents in school, too. Thank you.

During their assembly, the Year 6 pupils read the following prayer:

***You are the light that guides our feet.
You are the map that gives us direction.
You are the peace that makes us strong***

You are the leader whom we faithfully follow.

***May your light illuminate our lives
And your guidance bring direction
May we find inspiration in Your word
And peace in our hearts as we follow
You.***

Amen

My very best wishes as always.
