Summer Fair

Thank you to all who supported our Summer Fair last Saturday. We especially wish to thank everybody for their calm response to the fire on Thurstaston Hill and the subsequent evacuation of the Fair. We also wish to thank the Fire Service for their excellent response and ensuring the safety of our school community. Despite closing the Fair early, we have hopefully managed to make a profit of around £3000.

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.' (Jeremiah 29:11)

However, should we need to implement the school's evacuation plan during the school day, the pupils will be moved to St Chad's Church and we will inform parents via website, email and Twitter. The children's safety is our first priority.

KS2 Visit to St George's Hall

Key Stage Two enjoyed their visit to St George's Hall on Thursday to watch a theatrical retelling of the Bible in 'The Greatest Story Ever Told'. It was an amazing production featuring large props such as Noah's ark and a life size whale to swallow Jonah. It also had impressive screen visuals and things happening in every direction! There was such a large cast of around 300 individuals, community groups, choirs and those with additional needs. It was a wonderful way to conclude the school's Worship this

Summer Reading Challenge 2018

The summer is fast approaching and Wirral Libraries are, once again, taking part in the Reading Agency's Summer Reading Challenge.

The theme this year is based on the characters from the Beano comic and is called 'Mischief Makers.' It will run from this **Saturday 14th July** until **Saturday 8th September 2018**.

The scheme helps maintain reading levels over the summer and encourages the children

to be more confident and enthusiastic about their reading choices.

All children are invited to visit their local library over the summer holidays and collect stickers and rewards for the books that they read. Every child who takes part will receive a certificate and any child reading **6 books, or more**, will also receive a medal.

This year the libraries will also be presenting two awards to schools. These awards will not necessarily go to schools who have the most children taking part, but rather schools where the children have demonstrated enthusiasm for, or have shown to have benefited most from taking part in the Challenge.

We encourage all our pupils to participate in the Reading Challenge this year. You can enrol at your local library from tomorrow.

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.' (Jeremiah 29:11)
