

Silver Smarties

Dear Parents,

We would love your support for our latest fundraising idea.

All children have today been sent home with a tube of smarties which we would like you to give them as a treat at your discretion. We would then like the children to earn 20p from family and friends for doing tasks/chores/activities or making that special effort. Put the 20p's in the empty smartie tube over the next 3 weeks and return the tube with any donations to the school on 7th November.

The class that overall raise the most will receive a visit from a fire crew with their fire engine as a reward for their efforts plus that class can nominate a charity of their choice to receive a percentage of the takings.

We hope you agree that this is a fantastic way of helping two charities.

Thank you as always for your generosity.
