Thank you for your support with resolving the problem parking on School Lane. The road signs outside school clearly indicate that parking is prohibited between the hours of **8am and 6pm Monday – Friday**. The police and parking services will be patrolling School Lane regularly to ensure that everyone complies.

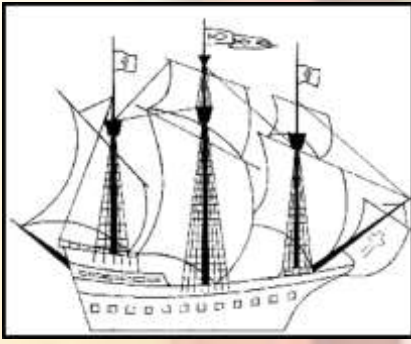

**NO PARKING 8am – 6pm Monday to Friday**

Please inform anybody who transports your child to and from school **not to park in the areas shown in the photographs** as Penalty Charge Notices (PCN) may be issued.

We will shortly be installing 'No Waiting' Traffic Cones within these areas to remind everybody of this instruction.

The yellow road markings are there to **keep our children safe from harm**. Please do the right thing and park away from these areas.

Thank you again for helping us to resolve this problem.

### Building Work

In a few weeks' time, we will be starting an extensive scheme of improvements to the staff car park, security fencing,

pedestrian access and intercom. The work is scheduled to start on **Friday 17<sup>th</sup> February** and is expected to last for three weeks, ending on **Friday 10<sup>th</sup> March**.

We wish to inform you that during the first two weeks back after half term, **no vehicles will be permitted access to the staff car park**. This will undoubtedly cause greater demand for parking on School Lane as staff will be parking there early in the morning.

Please help us to minimise the disruption by parking away from **School Lane during this time**. Please plan ahead and find alternative places to park. Thank you.
