We Need Your Help!

Dear Parents and Carers

Firstly, we'd like to say a huge thank you to those who attended our Information Evening

Thanks to your incredible support, **we raised over £12,000 last year**. Those funds have helped provide equipment, experiences and improvements that benefit every child at Dawpool.

However, FoDS can only continue to thrive with your support.

As our children move through the school, committee members naturally move on, so we're looking for more parents and carers to join our team. Please don't worry, getting involved doesn't have to mean taking on a huge commitment. Whether you can spare a few hours a year or would like to take on a more regular role, we'd love to hear from you.

Committee Roles

Every PTA needs four official committee positions:

- Chair
- Vice Chair
- Treasurer
- Secretary

We currently have five committee members, but our **Secretary position is vacant** and needs to be filled. The role mainly involves attending meetings throughout the year, taking notes and producing the meeting minutes. If you're organised and would like to help, we'd be delighted to have a chat with you.

Could you share your skills?

You don't need to join the committee to make a difference. We're also looking to build a wider team of parents and carers who can help in ways that suit their own time, skills and interests. Potential roles we are looking to introduce to help spread the workload:

Social Media Lead

Manage our Facebook page and share updates with local community groups to help promote our events.

Online Order Admin

Collate online orders received onto a spreadsheet.

Online Shop Coordinator

Purchase stock for events and keep track of current stock holding and costs.

Notice Board

We need someone who is able to print off posters and keep our noticeboards updated at school.

Volunteer Coordinator

Help recruit volunteers and organise helper rotas for our events. This can all be done either online using SignUp or face to face on the playground.

Grants Lead

Research and apply for grants to help fund larger school projects and improvements.

Gift Aid Expert

Do you know much about Gift Aid? If we had a dedicated person to assist with Gift Aid; FoDS may be able to claim money back from donations to make more money for school.

Donations & Sponsorship Team

Approach local businesses for sponsorship opportunities, partnerships and raffle prize donations.

Discos Event Lead

Organise and coordinate our popular school discos.

Tuck Shop Coordinator

Someone willing to purchase tuck stock for discos, fairs and other events throughout the year. Keep a track of stock used and what's left for the treasurers to assign costs to events.

Pre-Loved Uniform Coordinator

Someone willing to regularly collect and store donated uniform and run a handful of after school or at event stalls for parents to buy pre-loved uniform.

Events Organisers Team

Could you help plan and deliver a fundraising event during the year, such as a parents' quiz night, wreath-making workshop or sponsored challenge?

We receive lots of fantastic ideas, but with a committee of just five people, it isn't always possible to make them happen. If you have an idea and would be willing to take the lead, the FoDS committee will be there to support you every step of the way.

Equipment & Logistics Lead

Help source, organise and maintain equipment needed for our events.

Volunteer

Willing to volunteer to bake cakes, wrap gifts, etc.

Every role, big or small, helps us continue providing fantastic opportunities and experiences for our children. Perhaps you have other skills, ideas or experience you would be willing to share? Whatever time or support you can offer would be greatly appreciated. **Without extra help we will need to scale back this year.**

If you'd like to get involved, or simply find out more with no obligation whatsoever, we'd love to hear from you.
