

How to wash a Woolly Mammoth

Does your Woolly Mammoth need a wash? Well fear no more, this step by step guidebook will help you to wash your Woolly Mammoth.

Equipment

Woolly Mammoth shampoo.

Woolly Mammoth bubble bath.

Tusk whitener.

A full set of waterproof clothes.

A rubber ducky.

A mammoth bath.

A cupcake (make sure it's a vegetable cake).

A scrubbing brush.

A super strong trampoline.

Instructions

1. Firstly fill the bath to three quarters full.
2. Put on the full set of waterproofs.
3. Get your vegetable cupcake to lure your Woolly Mammoth to the bath.
4. Next get your scrubbing brush and carefully scrub the Mammoth's back.
5. WARNING! Sometimes Woolly Mammoths like to spray huge amounts of water, so get out of the splash zone.
6. Time for the really woolly bit, be careful not to get any water in the Mammoth's eyes.
7. Scrub the Mammoth's tummy, be careful as a Mammoth's tummy is very tickly and they like to wriggle so this may take a while.
8. Get your super strong trampoline to help your Woolly Mammoth down from the tree. If he gets dirty this may also take a while.
9. Let him share the bath with you.
10. Chuck in a gigantic towel and cuddle.
