

Fluent in Five

Questions and Answers

Year 2

Week 8

Year 2 – Week 8

This week in a nutshell:

This week, the focus continues to be on addition and subtraction skills, with children being introduced to adding three single-digit numbers for the first time.

Children will also continue to experience questions which focus on areas from previous weeks of Year 2 Fluent in Five, including questions involving adding two two-digit numbers which cross the tens boundary.

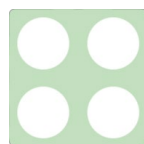

A. $29 + 28 =$
