We will have a large range of games and stalls available for the children to visit that sell items such as cakes, Lucky Dip, Pocket Money Toys and the Christmas Stall. These will cost between 50p to £1.50. The children love to get involved with this event and are given the opportunity of visiting the Bazaar during the day. Can you please send them to school with some spending money in a named purse/wallet and a bag to carry their shopping home. A letter has already gone home with more details and to see if anyone can offer any help of donations for the stalls or volunteering on the day. Please could you complete the form on

the letter and send it back into school, or alternatively email the committee at friendsofdawpoolschool@gmail.com, if you are able to help.

Pedestrian Safety

We are aware that too many children are running ahead of their parents and carers once they have been collected from school and wait at the end of School Lane for them to catch up. In the interests of safety for all pedestrians, we ask parents to **ensure that pupils walk close to them at all times.**

The junction at the end of School Lane is very busy at home time and pupils must be accompanied by an adult at all times.

Scooters

We know that some children like to ride a scooter to and from school. In the interests of safety for all pedestrians, we ask that children do not ride their scooters on School Lane when it is busy with people.

School Lane Parking

We have received this photograph from a neighbour on School Lane showing a vehicle that has parked over their driveway at the start of the school day preventing them from leaving to go to work. This is not an isolated incident and sadly occurs regularly for all of our neighbours.

If you are parking on School Lane, please adhere to the following:

‘For I know the plans I have for you,’ declares the Lord. ‘Plans to prosper you and not to harm you. Plans to give you hope and a future.’ (Jeremiah 29:11)

- Please do not move any traffic cones that have been placed on the road by either our neighbours or local businesses.
- Please do not park in front of our neighbours drives or across any white lines.
- Please do not park on the single yellow lines at the top of School Lane unless you have a blue badge.

We always recommend that you try and park away from School Lane.

Online Safety – Guidance for Parents

The internet is undoubtedly one of the greatest ever inventions and is an

extremely useful tool for entertainment, staying in touch, sharing memories as well as finding out anything and everything. However, the internet is also full of danger which children need to be safeguarded from.

We wish to remind you about the [internet safety](#) information on the school's website. This can be found under the 'safeguarding' tab and contains guidance that is designed to help parents and carers to keep their children as safe as possible when online. It also contains helpful fact sheets with instructions on privacy, blocking and reporting on all popular social media platforms: Facebook, Instagram, Kik, Snapchat, Tik Tok, Twitch, WhatsApp & YouTube.

Our best single bit of advice is to be curious about what your children are doing online, take an interest in their activities and regularly check what they are doing.

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.' (Jeremiah 29:11)
