Dear Parents and Carers,

I am writing to inform you about an exciting music project that Dawpool is participating in.

As part of the Church of England's 'Faith at Home' campaign, a song has been written for schools to record called '*Looking to the Rainbow*' – it's by Becky Drake from [Worship for Everyone](#). She is chaplain at The Blue Coat School in Birmingham, and they have made a multi-screen video of their students singing the song: https://www.youtube.com/watch?v=GAVCHH6ZO2s&feature=emb_logo

The Church of England is asking a thousand schools to produce their own video of this song and it would be fantastic for Dawpool to participate. It is a really lovely resource to share across our school community, bringing our children together during this lockdown period.

So that we can create a music video, we ask you to send us a video clip of your child singing the '*Looking to the Rainbow*' song. We have created a '[Looking to the Rainbow](#)' page under the home learning tab of the school website which contains all of the resources families will need to take part: video clip, lyrics, backing track and recording instructions.

Please email your video clip to twitter@dawpool.wirral.sch.uk by **Friday 15th May at 12:00pm**. Please note this is a Dawpool email address and not linked to Twitter in any way. We will then edit all of the individual video clips to create Dawpool's multi-screen music video. Please see our '[Looking to the Rainbow](#)' webpage for all the information you need.

Thank you for your help with this project.

Yours sincerely,

David Burrows
Headteacher
