

Senco Drop-in Session

Wednesday 10th January '24

We are delighted to have Sally Tittle and Poppy Cain from the LA SEND Engagement Team to share the new SENDLO website with our parents and carers. This will be an informal, interactive session where information on the wealth of support and resources for Special Educational Needs and Disabilities from the Local Authority will be shared. There will be an opportunity to chat, have a cuppa and talk all things SEND.

School Hall
2.45pm-3.30pm.
