## SCHOOL NEWS

#### **Wraparound Care September 2025**

As mentioned last week please can we ask that

any families who use wraparound care and require any changes to their current sessions, from September, email school office with their requirements **by Monday 16<sup>th</sup> June**. We will advise you if these changes can be accommodated as soon as possible.

We will assume the same sessions are required from September if we do hear anything.

Many thanks.

#### **Update on School Field Development**

At our recent FoDS meeting, attendees voted *in principle* to move forward with plans to enhance our school field with additional trim equipment and interactive sensory equipment in the F1/F2 boat area.

Any work needs to be completed by specialised suppliers with all the relevant certifications.

After receiving several quotes, FoDS and the school have selected a competitive offer of £14,891.29 from Playdale.

As this is a substantial outlay from FoDS funds, we'd like all parents to have the chance to look at the plans and provide any comments before we go ahead with any work.

If you'd like to look at the plans from Playdale, please use the following link:

If you have any comments, kindly email

forward any feedback.

The deadline for comments is Friday 20th June.

Thanks in advance for your help and support with this next step.

#### **Heating Project Update**

Next week as part of the works involved in installing our new heating system the former FoDS/oil shed is being demolished. Access to the school will be maintained but there may be times when it will be different to normal. Please ensure you and your children follow any instructions given on site.

#### **Sun cream**

It is important that children are well protected from the sun therefore please ensure your child has a sun hat in school and that you apply sun cream before arriving at school. ng spells of good weather. If you would like your child to re-apply sun cream during the day, please send a bottle of sun cream into school, labelled with your child's name, and the teacher will support them to apply it when needed.
