Reinforced Autoclaved Aerated Concrete (RAAC)

You may have seen recent media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in educational settings. RAAC is a lightweight form of concrete; because it is weaker than regular concrete, concerns have been raised about its long-term durability. Department for Education (DfE) has recently changed its guidance to education settings on the management of RAAC to take a more precautionary approach and as a result areas in affected spaces will be vacated.

We wanted to inform you that we are not affected by this decision as we do not have RAAC in any of our buildings and therefore they will continue to function as normal. We understand that parents may want to understand more about the support to educational settings to manage RAAC safely. You can read more through the article published by the DfE on the Education Hub [here](#).

If any parents wish to pay by the Governments tax free childcare payments scheme, please contact Mandy Parr about how this works.

Statutory Data

Schools are required to publish their most recent Key Stage Two (KS2) performance measures. All statutory assessments were cancelled in 2020 and 2021 due to the COVID-19 pandemic. Dawpool's KS2 performance measures for 2019, 2022 and 2023 can be downloaded from the school website [here](#). We are very proud of all of our children for their hard work and effort. Well done!

Parent Governor Vacancies

There are currently two vacancies for elected parents to join our school's Local Governing Body. A letter will be sent home on **Monday 11th September** to invite nominations and to provide more information.

11+ Examination.

The 11+ examination will take place for registered pupils on **Monday 18th September**. The 'Test Day Identity Forms' that have been returned to school will be stamped and signed by Mr Burrows and can be collected from the School Office at the end of the school day on **Monday 11th September**.

Dawpool is expecting an Ofsted inspection this term. Once the inspection is confirmed, parents will be notified, typically a day in advance. The inspectors will spend 2-days at Dawpool and undertake a range of activities to identify the strengths of our school and recommendations for the future. We are looking forward to sharing our Dawpool community with the inspectors and are confident that our families will rally behind us and provide valuable feedback and support throughout the inspection process.

Welcome back! We hope you all had a wonderful summer holiday and the children have settled well into their new school years.

For the new Dawpool families joining the school, Friends of Dawpool School (FoDS) are a group of

volunteers responsible for planning, organising and running events for the children, families, staff and local community, to raise funds for the school. This is only possible with the help and support from all parents, families, and staff of the school, so we would encourage everyone to help as often as they can.

This year, the roles of the committee will be voted on at the AGM taking place in school on **Tuesday 26th September at 7:15pm**. As always, all roles will need to be re-elected and new candidates would be most welcome. The FoDS Treasurer will be stepping down and this is an essential role that will need to be filled for FoDS to continue to function. So, if you have experience or knowledge with doing accounts, we would greatly appreciate your support to fill this vital role. We have found that filling each role with 2 people has proven very successful this last year, so if you and a friend are interested in joining the committee as a pair, you would be most welcome.

Attending the meeting is a great opportunity to contribute ideas for events and vote on how money can be spent within the school. You don't have to be a committee member to attend the meetings. We understand that families are busier than ever, so any help you are able to offer to aid our fundraising, big or small, would be fantastic.
