

Year 2

Week 16

#### Year 2 - Week 16

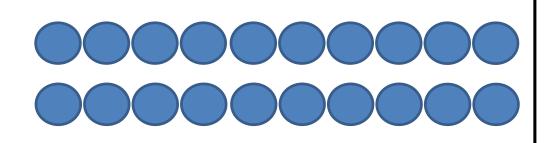

#### This week in a nutshell:

As with last week, questions which involve fractions from the Year 2 curriculum continue to the focus of Year 2 Fluent in Five . This week children will be expected to solve questions which involve all of the fractions within the Year 2 curriculum.

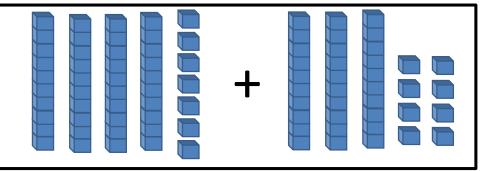

As usual, children will also continue to face questions which cover the full range of Year 2 addition, subtraction, multiplication and division.
