Vision Statement

‘The Dawpool community are united in their ambition to create a school which **embodies the person, love and work of Jesus Christ**: a school which enables **Christian values to flourish** and where **all children** may **experience the abundant life that Jesus offers**.’

The Dawpool curriculum is designed to:

1. Embody the 'Person, Love and Work' of Jesus Christ.
2. Enable 'Christian Values to Flourish'.
3. Ensure that all pupils experience the 'Abundant Life that Jesus offers.'

These three overarching objectives relate directly to the core principles of our vision statement.

The **Person, Love and Work of Jesus** are three golden threads that run through the heart of our curriculum.

At Dawpool, we aim to embody the person of Jesus Christ by growing the Fruit of the Spirit .	At Dawpool, we aim to we embody the love of Jesus Christ by teaching pupils to be HeartSmart .	At Dawpool we aim to embody the work of Jesus Christ by teaching pupils core learning values .

We know that all of these values were demonstrated by Jesus in his life. They are also advocated in current classroom pedagogy and research, such as Guy Claxton's '**Building Learning Powers**' and Rosenshine's '**Principles of Instruction**.'

In our curriculum planning we have taken each individual value - whether it be a **Fruit of the Spirit**, a **HeartSmart action** or a **Learning Value** - and directly referenced each one to the example of Jesus by providing a definition of the value, linking it to scripture and providing specific examples of how Jesus demonstrated it – see [The Curriculum for Christ-Likeness](#). By teaching the children how to emulate these values we enable **Christian values to flourish** through our curriculum.

The image below provides an overview of what the **Person, Love and Work of Jesus** looks like at a classroom level. Whether it be a Science lesson or a History lesson, there are familiar **characteristics of effective learning**:

The next part of our curriculum is to ensure that all pupils experience the '**Abundant Life that Jesus Offers**'. This is defined as enabling **all children** to experience the **full curriculum** – it's not narrowed for any child. We aim to nurture children's **God-given talents** and provide for their **intellectual, emotional, personal, social, spiritual and physical development**.

We provide a **subject-specific curriculum** in which we have mapped out the **knowledge and skills** that we want children to learn at each stage (See the '**Wisdom, Knowledge and Skills**' documents for each year group and the subject specific documents).

The Subject Specific Curriculum

Reading	Writing	Spelling & Grammar	Speaking	Maths	Science	History	Geography
Religious Education	Art	Design & Technology	Computing & E-safety	Music	Physical Education	Modern Foreign Languages	Early Years Curriculum

For each subject, we have carefully established the expectations for timetabling, planning, marking and assessment to ensure that the curriculum is delivered fully to all pupils – see the **Curriculum Implementation Handbook**.

Where possible, subjects are delivered through topics which are designed for maximum engagement and ensure all pupils benefit from a rich, broad, balanced curriculum presented in an interesting, exciting and imaginative manner with lots of opportunities for first-hand experience, practical work, investigation and learning through play. The curriculum is enriched with visits, visitors, and extensive use of our unique environment.

Our **‘local curriculum’** provides for an informal programme of **enrichment and extra-curricular activities** which is made up of those activities that we feel all children should experience at least once during their time in school, but in reality, there is likely to be several opportunities for each child. Such activities include: completing a young leaders award, learning a musical instrument, mentoring a younger pupil and visiting the theatre.
