To contact your child's class teacher, please email <a href="mailto:schooloffice@dawpool.wirral.sch.uk">schooloffice@dawpool.wirral.sch.uk</a> or phone 0151 648 3412

## Mrs McCann - Friday

	Lessons 09:00 - 10:30	Lessons 10:45 – 12:15	Lessons 13:15 – 15:30 (Incorporating 15-minute break)	Additional Tasks
Monday	Fluent in Five / Rapid Reasoning and Arithmetic  Objective:  1. To improve mental and written arithmetic strategies and algorithms within a timed period.  HeartSmart – Get HeartSmart  Objective:  1. Learning to find ways to keep our hearts strong.	Objectives:  1. I can explain the advantages of using graphing software to create line graphs.  2. I can use the features of graphing software to create well-presented line graphs.  3. I can use export and import functionality of software to combine graphs within one file.	RE: Unit 6.1 Life is a Journey  Objectives:  1. To know that life and it's path can be compared to a journey.  2. To create a timeline of your own life's journey so far using photographs, annotations and illustrations.  PE – Tag Rugby Objectives:  1. To understand the consequences of running off the pitch or dropping the ball?  2. To choose suitable positions to receive the ball once the ball carrier is tagged.	Please bring in no more than 6 photopgraphs of your life journey so far. Examples could include:  1. Newborn photo 2. First day of nursery/school 3. First time at a new club e.g. raibows, beavers, football club. 4. Arrival of a new sibling(s) into the family. 5. A new pet added to the family. 6. Current photograph. There may be other milestones that you can consider. Please print photographs small so that they can be placed onto an A4 page alongside annotations and drawings. If you do not have a printer, send the photographs into school and I will photocopy them or email them to schooloffice@dawpool.wirral.sch.uk for the attention of Mrs McCann
