### 'Together at Christmas' Class Assemblies

This year each class is preparing an assembly for sharing with families in school. The aim of the assemblies is to be together as a school community for Christmas. We have missed having families visit school and we want nothing more than to be together again at this very special time of year. Unfortunately, due to local health restrictions, we can't invite all family members into school just yet, but 2 adult family members will be able to watch their child perform.

Each class (F1-Y5) has been allocated one day to perform their **'Together at Christmas' Class Assembly**.
